

CHRISTMAS SUDOKU

Draw the missing symbols in the empty spaces, so there is only one of each in every row, column and all of the 9x9 sub-squares.

SPOT THE DIFFERENCE

Boris the Bear is opening his Christmas presents by the tree he decorated himself, while outside it's snowing. Can you find 11 differences between the two pictures?

GORDON'S FUN SHEET

Christmas is nearly here, and so to add to the fun I created a special Fun Sheet for you. Can you help Fluffy find his way to the hat so he isn't late for the show? Can you spot the differences in the pictures of Boris the Bear? And the Christmas Sudoku should keep you busy for a while.

There is also a colouring competition for you. The prize is a magic show at your next birthday party. The closing date is 31st January, so you haven't got long.

Remember Father Christmas only visits the good little boys and girls, so you should be on your best behaviour, especially for your parents !!

Have fun, hope to see you soon at a show.

Merry Christmas to you all,

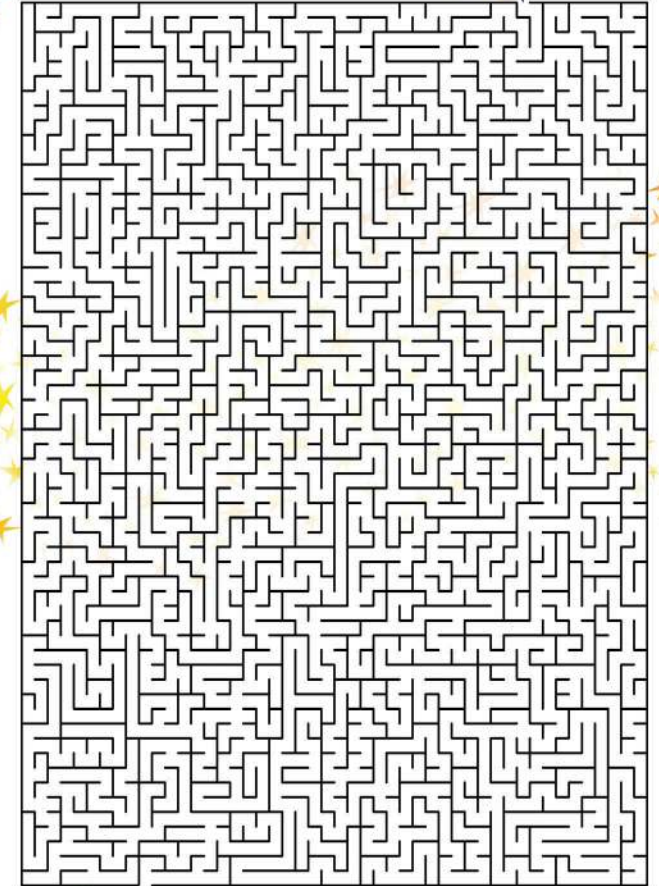

Gordon

MAGICAL MAZE

Fluffy is very late for one of his magic shows, and if he doesn't get there in time, Gordon will be upset with him.

Can you help Fluffy find his way through the maze to his hat?

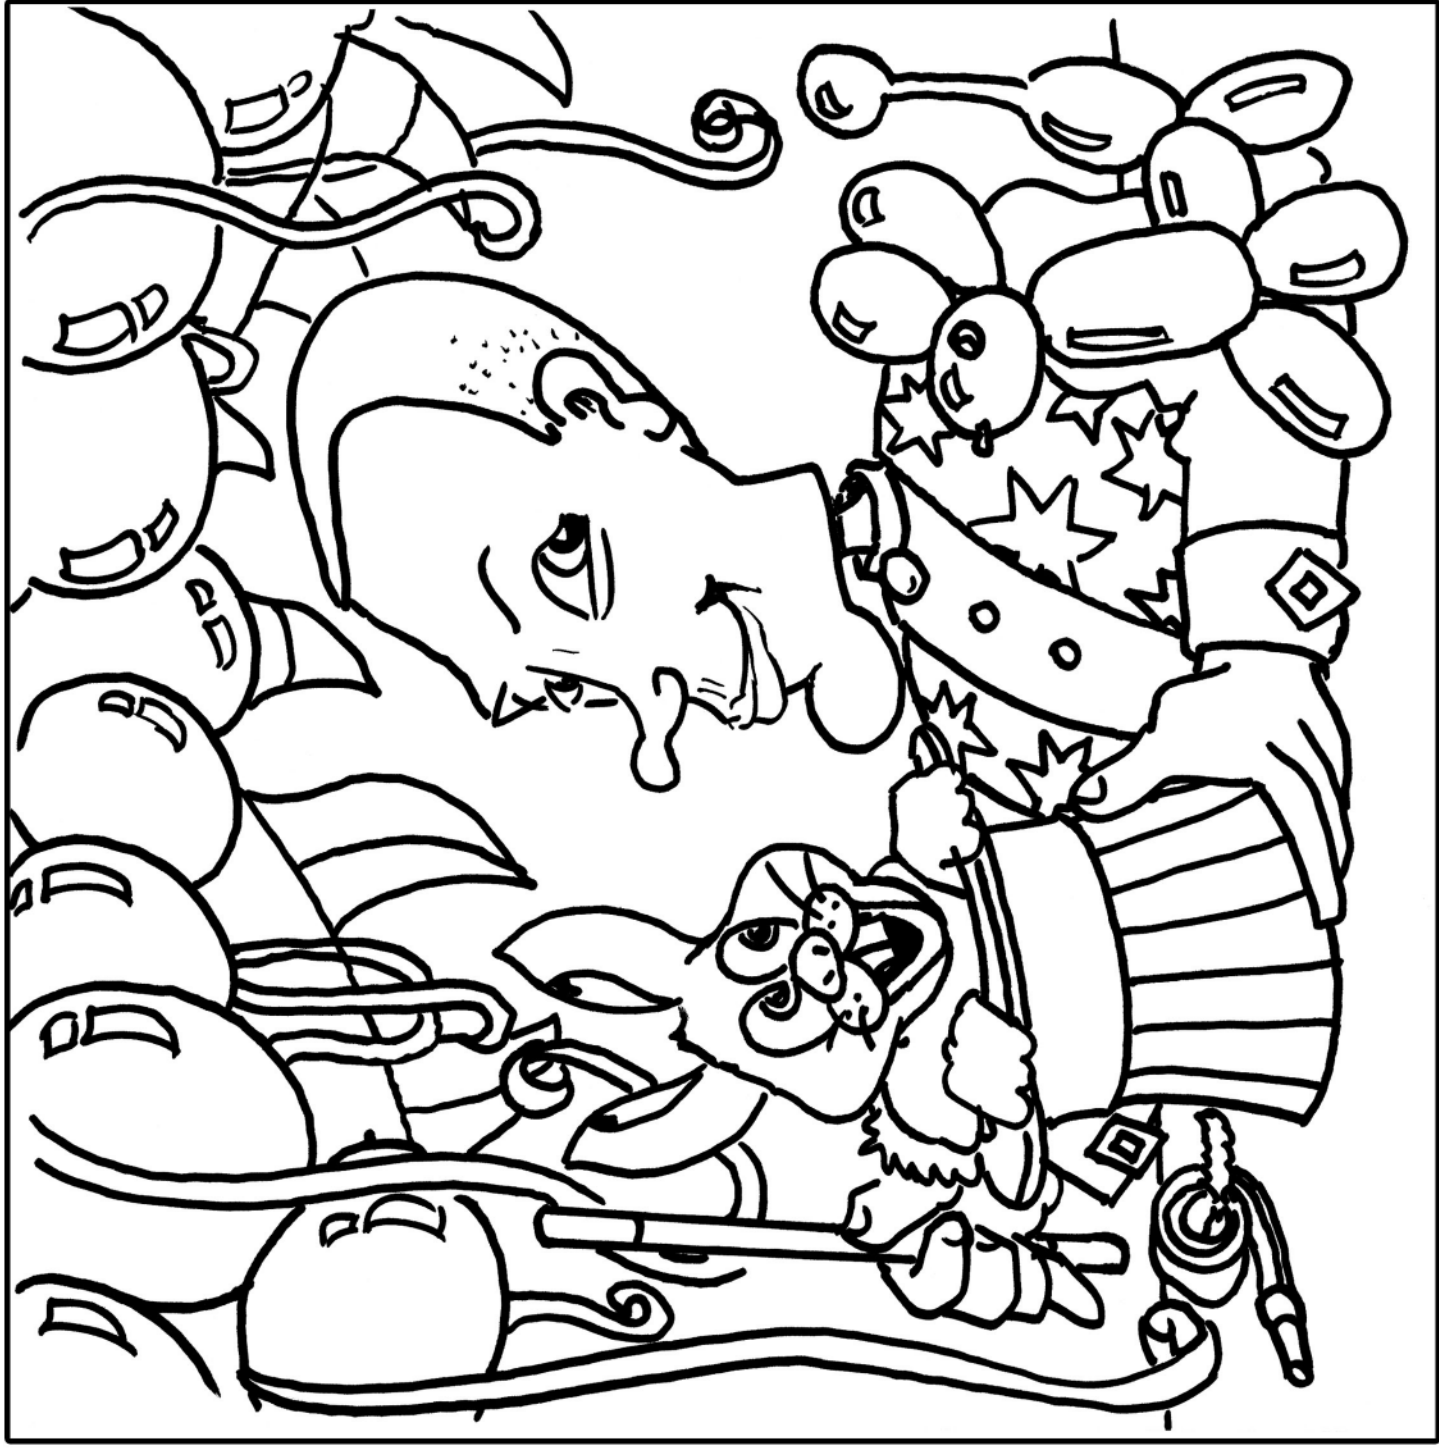

Thank you so much for your help. Fluffy reached the hat in plenty of time for the show.
